

全球研究

Programme Introduction

課程簡介

全球研究課程培育未來全球領袖及協助他們建立全球思維。課程設計是為回應日益頻繁的人才交流及各國市場整合現象，培養懂得處理國際關係和地緣政治、協調相互關聯的全球經濟和金融聯繫的領袖，及應對全球環境及健康問題的挑戰（例如氣候變化、污染、流行病）。

Our Global Studies Undergraduate Programme aims at nurturing future global leaders by cultivating a global mindset. It is designed to respond to the increased mobility of talents and integration of national markets, and to meet the rapidly rising demands for global leadership to negotiate international relations and geopolitics, coordinate with the interconnected worldwide economic and financial linkages, and react to global environmental and health challenges (e.g. climate change, pollution, pandemic).

Q: 誰適合修讀全球研究?

Characteristics of Potential Students
